Children's socks

Article number: 19549956 - PU 1

Little feet, big impact

Just slip them on and off you go. Whether on the way to nursery, running about in the children's room or out and about with the family: these children's socks are comfortable to wear and introduce Wacker Neuson to even the youngest children. The kids' design stands out without being too loud. That's how brand enthusiasm starts right at the bottom and still makes a big impression.

Textil Material

80 % Baumwolle, 17 % Polyamid, 3 % Elasthan
