Product data sheet

Model Dual View Dumper DV90

Article number: 19580076 - PU 1

Small in size. Big on impact.

Whether in a display cabinet, in the office or on a shelf: this model of the Dual View Dumper DV90 captures the essence of Wacker Neuson. The swivelling driver's seat and the movable tipper body bring this collector's item to life. For everyone who not only knows their technology, but loves to show it off.
