Product data sheet

Measuring tape 5m

Article number: 19800028 - PU 1

Precision Always at Your Fingertips

With its rubberized casing, this tape measure feels sturdy in your hand and is right there when you need to take a quick measurement in everyday life or on the job. The retraction feature ensures that the tape retracts smoothly, while the belt clip and wrist strap keep it within easy reach when you're on the go.
