Car air freshener: Mini Excavator

Article number: 19800049 - PU 1

Freshness on the go

Whether you're heading to a construction site, the warehouse or your next appointment, this car air freshener makes a clear statement about Wacker Neuson inside your vehicle. The design featuring the three MiniBagger models immediately catches the eye, whilst Narcisio NYC ensures a pleasant scent inside the cabin. In this way, a small detail becomes a brand highlight that simply comes along for the ride.
