T-Shirt Men Oversize „OWN THE JOBSITE“

Article number: 19800172 - PU 1

Back with a statement
From the front, the T-shirt is deliberately understated, whilst at the back the design flows clearly downwards. The yellow ‘OWN THE JOBSITE’ motif provides a striking accent against the white and gives this basic T-shirt exactly the Wacker Neuson character that stands out without being over the top. A T-shirt for team, events and leisure that appears understated at first but then really makes an impression.
