T-Shirt Men Oversize „THE NEXT LEVEL“

Article number: 19800192 - PU 1

Strength on the chest
A T-shirt that instantly looks like it belongs on a building site. This T-shirt transforms a plain white basic into a distinctive Wacker Neuson piece with character. The illustrated excavator motif looks rough, technical and yet relaxed enough for everyday wear, events or after work. The yellow lettering adds just the right touch to make it stand out. Whether for events, team appearances or everyday wear after a shift, it shows Wacker Neuson from a casual side.
